Subject: Constituent message

Hey all,

I received this message from a constituent on my personal facebook account (just saw it in the request inbox right now).
Susie, can you send her the letter you've sent to the other residents regarding Bradley and Paxton? I can have her call the office too. Thanks!

Hello I dont know who else to reach out to. I feel like everything falls on def ears. There is bad homeless encampment on Paxton and Bradley it it starting to turn into Eustace st. What can be done about that. We have had cars broken into fights in the middle of the night we find used syringes in the streets the side walk ontop of cars it's to much. We have a school a a block away kids walk by these encampments and deal with this. I see you guys do so much around the city but I fell like pacoima problems get left out. This is a problem and it needs help I'm tired of the rats huge rats all over

If you reply, Emily will be able to call you and see information like your Active Status and when you've read messages.

[I don't want to hear from Emily](#)

Best,
Denaee
